GROUP EXERCISE CLASS DESCRIPTIONS

- **Barre:** A low impact total body workout combining the movement of Pilates, Yoga and Body sculpting using light weights, gliders, small balls and bands.
- **Body Blast:** Using a bar and weighted plates, this class is a total body weight lifting class all set to upbeat energizing music. The entire body will be sculpted and strengthened.
- **Body Sculpting:** An overall body shaping and firming class using weights and the body's own resistance to perform strength building exercises. Both upper and lower body are emphasized during the workout as well as abdominal training, ending with an emphasis on flexibility.
- **Cardio/Barre:** This class consists of a warmup, a segment of cardio conditioning, and a segment of Barre style muscle conditioning. A variety of props will be utilized (light hand held weights, bands, the STEP etc...)This class is for ALL levels of exerciser!
- **Cardio Strength Training for the Mature Adult:** A muscle conditioning class which focuses on the unique concerns of "mature" adult. This class is intense, but the focus is on safety and less impact on joints.
- **Guts and Glory:** This high energy class begins with a thorough cardio warmup, alternates 45 second interval of various strength training exercises with 15 seconds of rest and concludes with a Pilates infused core workout and cool down.
- **HIIT (High Intensity Interval Training):** This class is SAFE and easy to follow-NO tricky choreography. Alternating short intervals of Cardio and Muscle conditioning, this workout helps to improve cardiovascular endurance, balance, strength, and flexibility. . (It's OK to come and work at your own pace!)
- **Kickboxing & Core:** Sculpt and strengthen your upper and lower body with easy kickboxing moves while getting a cardio workout at the same time. Finish with abdominal exercises and some relaxation stretches.
- **POUND-**fuses cardio interval training with drumming to provide a challenging, heart pumping workout
- **SilverSneakers I ® –Classic:** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activity for daily living skills. Handheld weights, elastic tubing with handles and a ball are offered for resistance; and a chair is used for seated and/or standing support.
- **SilverSneakers II ® Cardio Circuit:** Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand-held weights, elastic tubing with handles and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching, and relaxation exercises.
- **SilverSneakers ® YOGA:** This Yoga class, specifically designed for the senior population, is all done using a chair for support. The Yoga postures will help improve flexibility, strength and balance while enhancing a harmonious mind/body connection.
